

## Rail to Trail guidance

### Farnborough to Brookwood and Woking

#### **Farnborough Main to Farnborough North**

Exit the station to the road and turn left. Follow the road around to the left and use the two pelican crossings at the top and turn left along the roadside path. After the bridge bear right into Highgate Lane and follow it to the bottom, cross over into Farnborough Street to Farnborough North station.

#### **Farnborough North to Basingstoke Canal**

Cross the line via the crossing and follow the long bridle path (Platform 1 side) up and through the fishing lakes to Frimley Green. Cross the next level crossing, join the road (The Hatches) turning right at the end and stay on this to Frimley Green. Cross the green diagonally towards the shops and to the left of the Rose and Thistle pub. Join Guildford Road, walk until you go over the canal bridge and turn immediately left. You will now enjoy the canal to Brookwood or Woking.

#### **At Brookwood**

After Brookwood Lock cross via the footbridge, and under the road continuing on the canal towpath now on the other side. After a while you reach a parallel road and a bridge. Leave the canal over the bridge and continue straight ahead crossing the main road to the station.

#### **At Woking**

You will see the Peacocks shopping centre on your right across canal and the road. There is a car park on the left and the World Wildlife Fund- UK Living Planet Centre (closed to public until September 2022 - worth a stop after it reopens.)

Leave the canal by crossing the bridge and the main road and continuing into the town past the Council buildings. Keep going in a straight-line passing shops, steps etc until a T junction. Turn left and then right into an alley that leads to the station.
